2025 IN STOCK & SEASONAL COLLECTION

WELL MADE  
TO BE

WELL WORN

Crafted with care for cozy moments with family and friends or those light outdoor adventures – comfort, quality, and classic style have been at the forefront of Minnetonka products since 1946. While handcrafting footwear with excellent materials has been our family tradition for four generations, we are also committed to becoming more sustainable and honoring and uplifting the Native American community. It is our hope that Minnetonka’s story – and the decades of love for our brand – will continue to live on and evolve for the better for generations to come.

Whether it’s cozy slippers and boots, comfortable sandals, or classic leather mocs – we’ll always be there to provide you with moments of comfort that are crafted to last.

## WISHING YOU A PEACEFUL 2025

Celebrating the start of a new year with you! We are thrilled to announce that our catalog this year features some incredible new products that we can't wait for you to discover.

One of the highlights we're most proud of is our new Loafer Moc, which takes the best of Minnetonka's almost 79 years of shoemaking expertise and brings it to the modern era. This new addition is designed to offer unparalleled comfort and style, featuring our iconic genuine suede, stitched upper and leather lined interior, making it a must-have for your customers.

Your customers will also appreciate that our warehouse is fully stocked with in-line products, making it easy for you to do fill-ins any time of the year. We understand the importance of timely restocking, and our team is dedicated to ensuring you have what you need when you need it. We also encourage you to use our B2B website for the fastest delivery.

Before you jump into this catalog, we also wanted to inform you that you'll notice a price increase across our line. Due to increased costs in today's overall economy, we had to adjust our prices. We appreciate your understanding and continued support during these challenging times.

Thank you for being a valued Minnetonka customer. Your support means the world to us, and we will continue to be committed to providing you with the best products and service possible.

All the best,  
David Miller, CEO
